That Bridal Moment by Toliam Homestead is a brand that aims to bring Bridal and Evening wear into the home, allowing today's busy women to shop together in comfort and not scrimp on quality. Elegant, comfortable and functional, our clothes help elevate confidence and won't break the bank.

Mission

To bring high quality and couture evening and bridal wear into the home and take the guess work out of online shopping.

In bringing key pieces and timeless designs, we continue to uphold our commitment to elegance, innovation, and excellence -- guiding principles that set us apart and enable us to continue pushing forward.

In-home Shop

By having an In-home Shopping experience, you are able to shop with your besties, your bridesmaids, or even your wedding planner and try on various styles and colours to see what suits you. You can then order your chosen gowns in your preferred colour and size. And yes, you can have a custom size made just for you.

Host a Party

Hosting a party (In-home Shopping Experience) allows you invite your friends for a unique shopping experience.

Where your party spends over our tiered limits, you also receive gifts as our thank you for bringing us into your home and allowing us to bring your big day to life.

Sizes

Our gowns come in a large range of sizes, most from size 6 through to size 28.

We have limited sizes available to try on so please let us know if you have ladies at either end of the size spectrum so that we can ensure we have some available for them to try.
